The C.S.I Institute of Technology is a Christian Minority Engineering College, established in 1995 by the Church of South India (C.S.I), Kanyakumari Diocese. The CSIIT has been established for imparting high quality engineering education to the students. Its ultimate goal is to emphasize Christian moral values and to mould every student to become fit to face the challenges of advancing technology. It provides opportunities for the students to think, to grow, to face challenges out of dynamic learning opportunities and equipping them to take up any responsibilities in the society.
